

Arthritis and Agriculture

Driving rural awareness for healthy joints.

Healthy joints enable rural agricultural workers to farm safe.

The Arthritis Foundation – Indiana Chapter is driving awareness of arthritis and its diseases to America’s rural communities. Funded through the USDA’s National AgrAbility Project, and led by Purdue University, the “Arthritis and Agriculture” initiative is in full-force nation-wide.

Resources Available

- Arthritis and Agriculture Brochure
- Plain Facts About Arthritis (Amish) Brochure
- Gardening and Arthritis Pamphlet
- Gaining Ground on Arthritis DVD
- Arthritis Answers Booklet and Over 30 Other Informational Titles, including Nutrition and Exercise
- Spanish Versions Available!

We can help!

Presentations are available for all meetings, seminars and conferences!

The mission of the Arthritis Foundation is to improve lives through leadership in the prevention, control, and cure of arthritis and related diseases.

AgrAbility Project, CSREES, USDA
Special Project 08-41590-04796

The vision of the National AgrAbility Project is to enable a lifestyle of high quality for farmers, ranchers, and other agricultural workers with disabilities, so that they, their families, and their communities continue to succeed in rural America.
