Wisconsin Agrisafe® Training
Agricultural Medicine: The Core Course

Thursday - Saturday • March 18 - 20, 2010

Wisconsin Agrisafe® Training
**Agricultural Medicine:
The Core Course**

*Occupational and Environmental
Health for Rural Health Professionals*

Session II

Thursday - Saturday • March 18 - 20, 2010

Marshfield Clinic - Lawton Center • Marshfield, Wisconsin

Marshfield Clinic®

..... Don't just live. Shine.

Introduction

This AgriSafe Training course is the first in Wisconsin to offer a core curriculum in agricultural medicine, health, and safety. It is designed to train rural health care providers for the diagnosis, treatment, and prevention of agricultural occupational illnesses and injuries. The AgriSafe certification allows health professionals to join AgriSafe as a Provider Member, receive the clinical resources, technical assistance, continuing education and use the trademarked name AgriSafe in promoting agricultural health services.

This is Session II of a two-part series. Both sessions must be completed as part of the eligibility for AgriSafe certification.

Target Audience

This program is intended for primary care physicians, residents, physician assistants, nurse practitioners, nurses and other allied health care professionals.

Core Course -Session II Program

Wisconsin AgriSafe® Training Agricultural Medicine: The Core Course Occupational and Environmental Health for Rural Health Professionals

This is an AgriSafe approved training.

(A Building Capacity Project of The Great Plains Center for Agricultural Health and Iowa's Center for Agricultural Safety and Health)

Thursday, March 18, 2010

- 7:45 am Registration and Continental Breakfast
- 8:15 am **Introduction**
Steven Kirkhorn, M.D., M.P.H., FACOEM and Byron Crouse, M.D., FAAFP
- Define and differentiate the objectives and philosophies of rural health, agricultural medicine, and occupational health
- 8:30 am **Agricultural Skin Disease**
Erik Stratman, M.D.
- Identify infectious dermatitis and contact dermatitis in agricultural workers
- 10:30 am Break
- 10:45 am **Rehabilitation - Easter Seals/UW AgrAbility Program**
Paul Leverenz, M.S.
- Discuss the Easter Seals/AgrAbility Program to be utilized as a resource for farmers with disabilities and examples of engineering solutions
- 11:45 am **Wellness and Prevention of Agricultural Injuries and Illness**
Kelley Donham, D.V.M., M.S.
- Describe the overall theory and methods of intervention/prevention in the farming community
 - Explain conditions necessary for interventions to be effective in preventing agricultural injuries and illnesses, and wellness promotion
 - Identify when and where an OSHA approach applies and makes sense versus a practical approach to prevention in family farms
- 12:30 pm Lunch
- 1:30 pm **Personal Protective Equipment Selection/Respiratory Protection/Fit Testing/Fit Checking**
Kelley Donham, D.V.M., M.S., Steven Kirkhorn, M.D., M.P.H., FACOEM, Laurel Hackett, FNP-C, COHN-S, Carolyn Sheridan, R.N., B.S.N., Janice Soczka, R.N., M.S.N., FNP-C, and Karen Bergen, R.N., M.B.A., COHN-S
- Discuss the main agricultural respiratory diseases commonly found in agricultural workers, symptoms, diagnosis, treatment and prevention
 - Identify the appropriate use and selection of personal protective equipment for respiratory, noise, and chemical hazards
- 3:30 pm Break
- 3:45 pm **Integration of Agricultural Occupational Health into an Established Health Care Organization: The AgriSafe Model**
Carolyn Sheridan, R.N., B.S.N.
- Implement the components of a comprehensive agricultural health service as either a public health service or integrated as part of a clinical organization
- 4:45 pm **Questions and Case Discussions**
Kelley Donham, D.V.M., M.S. and Carolyn Sheridan, R.N., B.S.N.
- 5:00 pm Recess

Friday, March 19, 2010

- 7:45 am Continental Breakfast
- 8:00 am **AgriSafe in Wisconsin**
Steven Kirkhorn, M.D., M.P.H., FACOEM, Lisa Schiller, R.N., B.S.N., M.S., Ph.Dc., FNP-BC, APNP, Rhonda Strebel, Laurel Hackett, FNP-C, COHN-S, and Janice Soczka, R.N., M.S.N., FNP-C
- Relate examples of integration into Wisconsin established health care organizations
 - Discuss primary care versus occupational health models of delivery of preventive agricultural health services

- 9:15 am **Principles of General Health Care Delivery, Wellness, and Prevention in the Agricultural Community**
Byron Crouse, M.D., FAAFP
- Discuss prevention strategies in rural health in the agricultural community for cardiovascular disease and cancer
 - Identify the differences between medical surveillance and medical screening
 - Describe the role of the Wisconsin Academy of Rural Medicine and health care in Wisconsin
- 10:00 am Break
- 10:15 am **Access to Health Care and Insurance Issues: A Panel Discussion**
Sandi Cihlar, Byron Crouse, M.D., FAAFP, and Melissa Duffy
- Implement the components of a comprehensive agricultural health service as either a public health service or integrated as part of a clinical organization
- 11:00 am **Working Lunch - Certified Safe Farm Discussion**
LaMar Grafft, M.S.
- Explain how to document and how to effectively change behavior to address applying the proper safety equipment and importance of maintenance
 - Summarize how a Certified Safe Farm will meet requirements to address the safety issues
- 12:15 pm **Preparation for a Farm Safety Walk Through**
LaMar Grafft, M.S.
- Discuss the assessment of safety hazards on site to include how to record and communicate with owner/operator
- 12:30 pm Break - Travel to Farm
- 1:00 pm **Dairy Farm and Anaerobic Digester Health and Safety Assessment**
*Norm-E-Lane Farm, Inc., Chili, Wisconsin
LaMar Grafft, M.S.*
- Discuss the elements of how to carry out a farm safety walk-through assessment and identification of health and safety risks
 - Conduct a farm safety walk-through assessment
- 15 minute break, time to be determined
- 5:15 pm Recess - Barbeque on the Farm

Saturday, March 20, 2010

- 7:45 am Continental Breakfast
- 8:00 am **Discuss Certified Safe Farm Tour**
LaMar Grafft, M.S.
- Discuss steps to take in corrective actions and in preparing the completed report
- 8:30 am **Childhood Issues in Agricultural Work**
Barbara Lee, R.N., Ph.D.
- Describe how childhood development affects performing farms tasks safely
 - Discuss how to use the North American Guidelines to Childhood Agricultural Tasks and Safe Play guidelines proactively to prevent injuries
- 9:30 am Break
- 9:45 am **Case Presentations/Problem Solving**
Kelley Donham, D.V.M., M.S., Steven Kirkhorn, M.D., M.P.H., FACOEM, and Carolyn Sheridan, R.N., B.S.N.
- Identify, diagnose, describe treatment and prevention of agricultural health conditions
- 11:15 am **Final Questions and Review of Session II**
Steven Kirkhorn, M.D., M.P.H., FACOEM
- 12:00 pm Adjourn Session II

Accreditation Statement

Marshfield Clinic is accredited by the
Wisconsin Medical Society to provide
continuing medical education for
physicians.

Designation of Credit Statement

Marshfield Clinic designates this
educational activity for a maximum
of 19.0 AMA PRA Category 1 Credits™.
Physicians should only claim credit
commensurate with the extent of their
participation in the activity.

Contact Hour Statement for Allied Health Professionals

Marshfield Clinic is approved as
a provider of continuing health
education by the Wisconsin Society
for Healthcare Education and
Training, (WISHET). Marshfield Clinic
designates this activity for up to
19.0 contact hours (1.9 CEUs) of
continuing education for allied health
professionals.

American Academy of Family Physicians (AAFP)

Application for CME credit has been
filed with the American Academy of
Family Physicians. **Determination of
credit is pending.**

American Association of Occupational Health Nurses, Inc. (AAOHN)

Application for continuing nursing
education (CNE) credit has been
submitted to the American Association
of Occupational Health Nurses,
Inc., an accredited approver by
the American Nurses Credentialing
Center's Commission on Accreditation.
Determination of credit is pending.

Faculty Disclosure

In accordance with the Standards of
the Wisconsin Medical Society, all
those who are in a position to affect
content of this CME activity (including
course directors, planning committee,
speakers, and CME staff) are required
to disclose financial relationships with
any commercial interest(s) related
to the subject matter of this activity.
Such disclosures will be made available
on the day of the program so that
participants may formulate their own
judgments regarding the presentation.

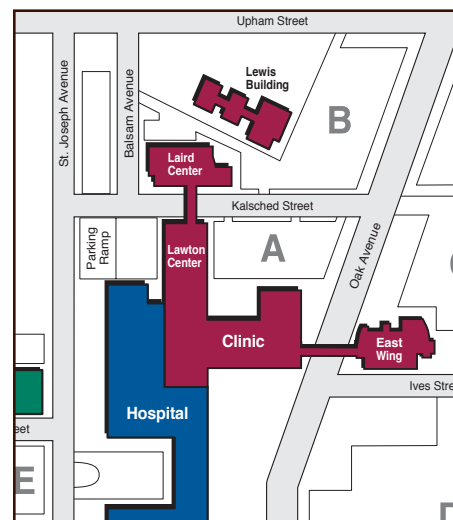

As a provider of CME credit, it is
Marshfield Clinic's responsibility to
ensure that its credited activities
provide information, findings, and
recommendations to its audiences
that are based on accepted and sound
scientific principles (evidence-based
medicine). In addition, Marshfield
Clinic has safeguards in place to
identify and eliminate any commercial
bias from CME activities.

Disclosure of Commercial Support

This program has been funded in part
by grants from the Wisconsin Office
of Rural Health (WORH), Marshfield
Clinic's National Farm Medicine Center
(NFMC), and the National Institute
for Occupational Safety and Health
(NIOSH) Grant # 5 U50 04007548.
Any additional program funding will
be disclosed at the conference.

Location and Conference Parking

This conference will be held at
Marshfield Clinic, Lawton Center,
Conference Rooms A, B & C, located at
1000 North Oak Avenue, Marshfield,
WI 54449. Parking is available in
Marshfield Clinic's lot B (see map).
