

Living with Chronic Illness: More Life, Less Limits

Thursday, October 2, 2014
9:30 a.m. - 3:30 p.m.

Park County Public Library
Grizzly Room
1500 Heart Mountain Street
Cody, Wyoming 82414

Arthritis is the most common cause of disability in the United States. Come learn ways to reduce your pain and manage your chronic disease with practical tools and resources, so you can live life with less limits!

Speakers Include:

- *Dr. Rebecca Danforth*, Rheumatologist
- *Amber Wolfe*, National AgrAbility Project
- *Randy Weigel*, University of Wyoming
- *Wendy Alameda*, Wyoming Institute of Disabilities
- *Ashlee Lundvall*, Ms. Wheelchair USA
- *Corey McGregor*, Wyoming Services for Independent Living

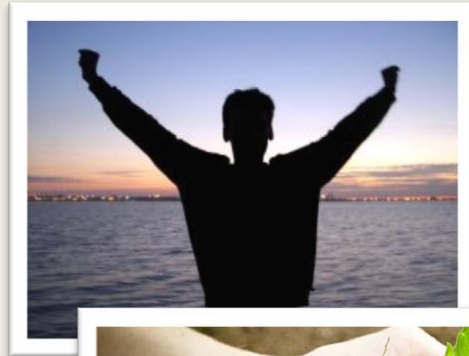

This is a FREE event. Registration is required, as space is limited:
