

Host a Screening - Join a Movement

—SILO—

Feeding the world comes at a cost

— SILO —

-Plot-

Inspired by true events, *Silo* follows a harrowing day in an American farm town. Disaster strikes when teenager Cody Rose is entrapped in a 50-foot-tall grain bin. When the corn turns to quicksand, family, neighbors and first responders must put aside their differences to rescue Cody from drowning in the crop that has sustained their community for generations.

-Mission-

As storytellers, our vision is to bring people together as a community, and share in entertaining and meaningful cinematic experiences. The *Silo* team is working with passionate hosts like you across the country to screen the film and foster important conversations about family, safety, and mental health on the farm. To that end we have partnered with the *Grain Handling Safety Coalition* to create a thoughtful discussion guide to use alongside the film.

-Screening-

The cost of a *Silo Community Screening Event* is \$2,500, which includes a DVD/BluRay for one-time use, the *Silo* Film Discussion Guide, and a dedicated *Silo* team member to assist in the planning of your event. We will also provide information on “best practices” for hosting a screening, so that your community event can be as impactful as possible. A portion of all screening fees will be given to the *Grain Handling Safety Coalition*.

-Process-

- ❖ Review and sign the *Silo* license agreement
- ❖ Find your venue
- ❖ Invite your audience
- ❖ Choose a date for your screening
- ❖ Promote your event
- ❖ Enjoy the show!
