### Field Work Level One Proposals from AgrAbility

<input type="checkbox"/>	1.	Review one AgrAbility client case. Report on one (1). This will involve working with AgrAbility staff. 2 hours for review. Prepare and present case. 3 hours.
<input type="checkbox"/>	2.	Participate in one (1) AgrAbility monthly staff meeting (in-person or virtual). 1-2 hours
<input type="checkbox"/>	3.	Watch one (1) AgrAbility-related live or recorded webinar. Report on it. <ul style="list-style-type: none"> <li>- National AgrAbility Project (<a href="http://www.agrability.org/online-training/">http://www.agrability.org/online-training/</a>)</li> <li>- Maine AgrAbility Project (<a href="https://extension.umaine.edu/agrability/videos/#about">https://extension.umaine.edu/agrability/videos/#about</a>)</li> <li>- Maine Cite (<a href="https://mainecite.org/training/">https://mainecite.org/training/</a>) 1 hour to watch, 1 hour to report</li> </ul>
<input type="checkbox"/>	4.	Review Maine AgrAbility website. ( <a href="https://extension.umaine.edu/agrability/">https://extension.umaine.edu/agrability/</a> ). Variable 1.5 hours
<input type="checkbox"/>	5.	Review National AgrAbility website for adaptive tools for farming and gardening. ( <a href="http://www.agrability.org/toolbox/">http://www.agrability.org/toolbox/</a> ) Variable. 2 hours
<input type="checkbox"/>	6.	Identify Resources & Networks that AgrAbility uses to help their clients. 1.5
<input type="checkbox"/>	7.	Identify farming, fishing, and logging job descriptions and challenges. Report on it. 2 hours to identify, 1 hour to report.
<input type="checkbox"/>	8.	Identify specific ways to outreach to farmers, fishermen, and forest workers to encourage them to use AgrAbility services. 4 hours
<input type="checkbox"/>	9.	Watch the 3-D printing presentation on farming, provide feedback. 1 hour to watch. .5 for feedback.
<input type="checkbox"/>	10.	Talk to AgrAbility OTs about private practice and their work on the project. 1-2 hours each.

Maine AgrAbility assists farmers, fishermen, and forest workers to overcome disabilities, injuries or other barriers so they can continue to work safely and productively in agriculture. This material is supported by a grant from the USDA National Institute of Food and Agriculture (NIFA) under sponsored project number 2018-41590-28715.
