

This informative and exciting series is brought to you by a partnership between Kenai Soil and Water Conservation District and UAF Cooperative Extension Service to support Alaska growers.

## From the Ground Up! Tuesday evenings starting Jan. 18 6 - 7:30 p.m.

Join experts from all over Alaska for a seven-part series that will dig deeper into getting the most out of your land and improving local food security. Whether you are a home gardener, a small farm, or interested in land development, you don't want to miss this series of free workshops.

**Register once and join any or all of the free online sessions.**
